A MESSAGE FROM OUR CEO

Thank you

Dear Sunrise Holdings team,

On behalf of everyone at our foundation, thank you for your generous support of Warm Plates. Your partnership arrived just as winter began and the need in Alexandra was at its greatest.

Because of you, our kitchen served 9 600 hot meals, 300 children ate every school day, and 420 families received a food parcel at their door each month.

Behind every number is a family that could stop worrying about the next meal and start thinking about tomorrow again. Your staff volunteers carried that care in person, box by box.

Thank you for choosing to stand with your neighbours. We are proud to call you our partners.

With heartfelt gratitude,

Alex Morgan

THE PROJECT

WHERE YOUR GIFT WENT

Winter is the hardest season for families in Alexandra: jobs dry up, prices rise and children feel it first.

Packing the monthly food parcels

Many households were down to one meal a day, and parents were skipping meals so their children could eat.

Your gift kept our community kitchen running every weekday and paid for monthly parcels of staple food, packed by volunteers and delivered to the families who need them most.

THANDI'S *table*

A warm meal, handed over with care

Thandi is 64 and raising four grandchildren on her pension. Last winter she often went without dinner so the children would have enough.

This year a volunteer knocked on her door with a food parcel, and the children started eating lunch at the kitchen every school day.

Now Thandi cooks one warm family meal every evening, and the children come home with full stomachs and their homework done.
